We want to see the Christmas show

Why are you knocking it down
and will there be a replacement?

Dear Sir/Madam

I am writing to you because

I think it is a ridiculous

idea to close the Farold Hoes

because people will lose

their jobs! Also we want by

Abel Sep they shops there.

What is the point closing it

down? Why can't you close

it down in stages?

I hope you do close it down

in stages or not people!

Yours Sincerely

Dear Sir,

I am writing to you because I think it's annoying when you close down the Fairfield Halls. How are you going to close the Fairfield Halls when people want to do shows? Closing Fairfield Halls makes me disappointed because I want to see a show. Where can I go instead of Fairfield Halls? Instead of closing once, you have to close one by one. It's because some people want to go and watch the show. Instead of closing for 3 years, you have to let people enjoy the show or let them sing and dance.

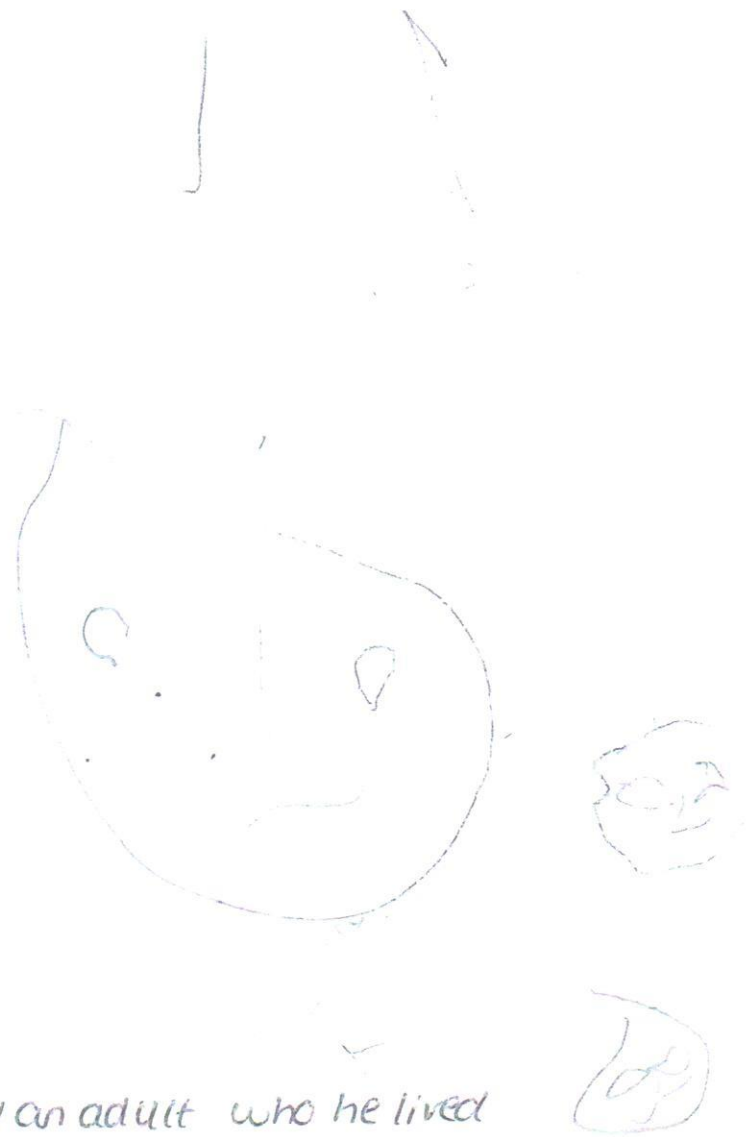

Yours Sincerely
