

St Nicholas School

Sports Grant 20-21 Statement

What is the Schools Sports Grant?

The school sports grant is additional funding provided by London Sport, used by the school to make additional and sustainable improvements to the quality of PE and sport on offer.

It can be used to:

- develop or add to the PE and sport activities that your school already offers
- make improvements now that will benefit pupils joining the school in future years

It could include:

- acquiring new equipment to extend all pupils physical activity and to meet sensory needs
- providing existing staff with training or resources to help them teach PE and sport more effectively
- introducing new sports or activities to encourage more pupils to take up sport
- entering or running sport competitions
- increasing pupils' participation in the [School Games](#)
- partnering with other schools to run sports activities
- hiring qualified sports coaches to work with teachers to enhance or extend current opportunities
- supporting and involving the least active children by running or extending school sports clubs, holiday clubs and [Change4Life](#) clubs

At St Nicholas School we use the grant to ensure that all pupils receive 90 minutes of PE a week, enhanced by the use of specialist training, equipment and outside coaches.

Funding allocation 2020-2021	Amount of Funding
Funding allocated 2020-2021	£17500
Funding carried forward	£27642
Total Amount of School Sports Grant	£45142

Provision:	Approximate Cost
<p>Specialist PE Teaching Assistant (TA) Increase the proportion of time spent in formal PE activity beyond statutory requirements with the provision of a specialist PE teaching assistant. Intended Impact <i>To allow pupils to make increased progress in their physical development and promote an increased awareness of a healthy lifestyle.</i></p>	£5327
<p>Purchase of PE Equipment To enhance existing resources including sensory equipment and replace equipment that needed updating including PE equipment ensuring that the equipment is accessible and safe for all the children's individual needs. Intended Impact <i>To allow differentiation in all lessons to accommodate the needs of a changing cohort and allowing them to develop their skills in each area of the curriculum. New equipment will help all pupils to access a wider range of activities in lessons.</i></p>	£7414
<p>Training and Staff Cover Training for staff to develop their skills and confidence in delivering high quality effective teaching. Also cover to allow these staff to attend these courses. Intended Impact <i>To allow us to increase and enhance pupil learning, achievement and enjoyment.</i></p>	£312

<p>Increasing the usability of the new MUGA Furnishing the new MUGA with suitable equipment, ground markings and storage. Intended Impact <i>To provide the pupils with a wider range of physical activities both during lessons and during lunch and play breaks. Also, to be able to provide more opportunities for lunch and after school clubs. This will also help encourage outdoor learning, reducing the risk of coronavirus.</i></p>	<p>£ 2000 nothing budgeted</p>
<p>Improving the Trim Trail To increase the places around the school that pupils can participate in sport / outdoor activities. Intended Impact <i>To allow pupils to participate in a wider range of activities including climbing, agility and improve fine and gross motor skills. This will also help encourage outdoor learning, reducing the risk of coronavirus?</i></p>	<p>£16364</p>
<p>Repair of Existing Gymnastics Equipment Repairing the existing gymnastics equipment to ensure it is of a safe standard. Intended Impact <i>To allow pupils to develop their fine and gross motor skills and to be able to provide a wider range of activities within gymnastics lessons using equipment that is safe.</i></p>	<p>£335</p>
<p>Part payment of Climbing Equipment for KS1 Playground Acquiring climbing equipment for our new KS1 playground Intended Impact <i>To allow our younger pupils to access a wider range of physical activities to aid their gross motor skills at break and lunchtime play. This will also help encourage outdoor learning, reducing the risk of coronavirus.</i></p>	<p>£12018</p>
<p>High quality specialist coaches To provide a range of specialist coaches to work alongside school staff in providing high quality PE. For example, Crystal Palace Coaching. Intended Impact <i>To enhance and extend opportunities for pupils to participate in a variety of different sports/activities. In addition, to help develop the skills and confidence of staff in delivering high quality teaching.</i></p>	<p>£700</p>
<p>After School Clubs The cost to the school of providing Teaching Assistants to assist with after school clubs providing physical fitness and wellbeing activities for children and respite for parents. Intended Impact <i>Engagement, enjoyment and achievement including improved levels of fitness with experiences our pupils may not be able to access otherwise.</i></p>	<p>£672</p>
<p>Total</p>	<p>£45142</p>
